“ It saddens me deeply to think that you're no longer there with the precious ones who loved you so deeply. Even though I'm not in Milwaukee you, your mom and sister are near and dear to my heart. Never will I forget that winning smile and gentle spirit. I can only speak from my experience but I'd say you're the epitome of your grandfather who had the absolute most loving spirit of ANYONE I've ever known. For your mom and sisters "weeping may endure for a night but joy cometh in the morning. " Angelo has shed that earthly flesh but his spirit soars and will be with you always.
Just as you don't see me and my love for you is great and everlasting, so be it with Angelo.
GOD knows and HE cares.

“ Angelo will be missed by his entire family and many friends. He was wise beyond his years. Growing up he was always levelheaded and handled difficult situations with tact. Everyone in the family had their own special bond with him. We shared some of the most exciting carefree times together. I love you always cousin. Rest easy like the player that you are
