Comments

“ Marcia lit a candle in memory of Mrs. Margaret Nelson

Marcia - September 20 at 05:30 AM

“ My heart is so heavy words will not explain how I am feeling with the news of my Aunt Margaret passing. She was the light of her family that shined brightly for all to see. To the family, you have all the memories of a wonderful woman to keep you smiling when you think of her. Keep the faith, strength and love from her teachings she gave each of you throughout your lives and she'll be with you forever. Know that you are loved
